

- ✦ Let's make together a **SWOT Analysis** considering that we are planning a labour creation project (vocational training, micro finance, development of micro enterprises) for Filipino young unemployed in a poor area of Manila
- ✦ The general objective is to reduce poverty and unemployment
- ✦ The purpose is to increase the level of youth employability
- ✦ The implementer is an Association composed by all the people in the class called "Stop Poverty in Manila!"

<b>S</b>	What are our advantages? What do we do well? What relevant resources do we have access to? What do other people see as our strengths?
<b>W</b>	What could we improve? What do we do badly? What should we avoid?
<b>O</b>	Where are the good opportunities in front of us? What are the interesting trends we are aware of?
<b>T</b>	What obstacles do we face? What are our competitor doing? Is changing policy threatening our position?
